Budapest, 30th January 2025

Dear Minister Regev,

I am delighted to invite you to join us as a **distinguished speaker** at the **Conservative Political Action Conference (CPAC) Hungary 2025**, scheduled to take place on **May 29-30 in Budapest**.

The *Age of Patriots* has begun. As we have witnessed historic milestones on both sides of the Atlantic, our sovereignist forces have surged ahead, and the voice of the people has triumphed over the woke dystopia. This *Age of Patriots* signifies an era of gradually rebuilding the West. CPAC Hungary has played a pivotal role in this endeavor by uniting European and Atlantic common-sense communities to take collective action.

Our inaugural European CPAC in 2022 centered on our core values: God, Homeland, Family. In 2023, under the theme *United We Stand*, we reinforced our commitment to unity in the face of challenges posed by globalist neo-Marxist ideologies. In 2024, we took decisive action to reclaim our civilization, unapologetically drained the swamp in Washington, and bolstered our patriotic movement in Europe. Now, in 2025, we have the opportunity to jointly define a new era for the West. The *Age of Patriots* is here.

Your outstanding contributions to our cause have been instrumental, and your presence would greatly enhance our event. We are also honored to have invited Prime Minister Viktor Orbán as our keynote speaker.

I sincerely hope you will accept this invitation, and I look forward to welcoming you to Budapest.

Warmest regards,

Miklós SZÁNTHÓ
