

Consent Decree per Section 50B of the Economic Competition Law, 1988

A. Definitions

"Related Person"	A person in control of an entity, an entity controlled by a person and any entity controlled by any of them, directly or indirectly;
"The Tribunal"	The Competition Tribunal;
"The Requests of Information"	The Requests of information sent to Leadiant Biosciences S.p.A and Leadiant Biosciences Ltd. on 10.8.2021 and on 24.11.2021;
"The Law"	The Economic Competition Law, 5748-1988;
"The Commissioner"	The Competition Commissioner;
"Leadiant"	Leadiant Biosciences Ltd. or Leadiant Biosciences S.p.A and any Related Person thereof;

B. The commitments that are the subject of the decree

1. Leadiant shall pay an amount of one hundred and ten thousand (110,000) NIS to the State Treasury within thirty (30) days from the Tribunal's decision to approve these undertakings as its decision, under Article 50B of the Law.
2. Subject to the approval of this decree by the Tribunal and the fulfillment of the commitment in Article 1 above ("The Commitment"), the Commissioner shall not exercise enforcement measures against Leadiant or whom on its behalf, including officers, employees and shareholders, past or present, in connection with the alleged non responding to the Requests of information.
3. Leadiant's position is that as a foreign company that has no direct or indirect connection to Israel, including holding in any Israeli corporation, "Place of Business" or sales in Israel or to Israel, it was not obliged to respond the Requests of Information.
4. Nothing in the above shall be deemed, explicitly or implicitly, as an admission or consent by Leadiant and any Related Person, including officers, employees and shareholders, past or present, that they infringed in any way The Law, or any other felony or infringement of any law. Without derogating from the Commitment, this decree does not derogate from Leadiant's arguments in any judicial or administrative proceeding, at any time and in any place. Similarly, the Commitment shall not be interpreted in such manner that it is implied as if Leadiant admits or agrees that The Commissioner has any evidence regarding the alleged infringement of The Law by Leadiant or whom on its behalf, including a Related Person.
